

Kennewick National Youth Baseball

JOIN OUR TEAM BECOME A SPONSOR

Thanks to the support of our sponsors, Kennewick National Youth Baseball (KNYB) had a successful 2019 baseball season. We had 27 teams participate in our league. That means with help of community sponsors like you, KNYB was able to help teach over 350 youth the values, fundamentals, and sportsmanship associated with the great sport of baseball.

We are now actively looking for sponsorship for the new 2020 season. Our Board of Directors will put your money to good use! It will be used for team equipment, player scholarships, improvements for safety and security, and maintenance of our community fields. We have a variety of sponsorship options to choose from or we can build a custom option for you. We hope you will consider supporting KNYB.
