

# Financial Reallocation Request

KNYB Members,

We hope your player(s) and family are staying safe and healthy, eagerly waiting for baseball to continue. Due to the continued COVID-19 situation, we recognize that our local area may not be granted permission for events such as baseball in the near future. Thanks to the unwavering commitment of many KNYB volunteers, we have realized a few cost savings to reduce our budget deficit.

KNYB is a 501(c)3 non-profit organization, operated solely by volunteers. KNYB is burdened with annual costs (bills) regardless of holding a regular season or not (referenced in our *Financial Position* communication posted on July 10<sup>th</sup>, 2020 at [www.knyb.org](http://www.knyb.org)). With this in mind, the Board of Directors would like to offer our members the following financial options (select one option):

- Please reallocate my registration fee for the 2020 regular season to a tax-deductible donation to KNYB**
  
- Please provide me with a refund for the 2020 regular season registration fee, minus expenses incurred to the league for my player(s) registration**
  1. **Coach Pitch & Rookie Divisions \$37 refund**
  2. **Rookie Division \$67 refund**
  3. **Major 60/70 & Minor Divisions \$111 refund**
  - Charter/insurance cost deducted from every players registration fee **(\$13)**
  - Custom ordered uniform cost for the M70, M60 and Minor division registered players **(\$41)**
    - Major division uniforms were distributed in March
    - Minor division registered players can pick up their custom ordered uniform by contacting our Uniform Director for pick up dates, ( [parentrep@knyb.org](mailto:parentrep@knyb.org) )

If you choose the first option, we would like to thank you with our humble gratitude. You are helping KNYB with the annual financial burdens for the facility. You can simply send your form to [info@knyb.org](mailto:info@knyb.org) and you will receive a reply with KNYB's tax ID# for your donation.

If you choose the second option, KNYB understands families are experiencing financial hardships the same as KNYB. Please attend one of the in-person refund meetings on either Friday, September 11<sup>th</sup> from 6 to 8pm, or Saturday, September 12<sup>th</sup> from 10am to noon. You will need to bring this form & a copy of your regular season confirmation # to this meeting. In return, we will issue you a check that day with a refunded amount commensurate to the registration fee minus incurred expenses.

We look forward to the day when your player(s) are enjoying America's favorite past time at KNYB. Until then, stay safe and stay KNYB strong!
