Sponsor Request Letter

January, 2022

Friends of KN,

We would like to invite you to be a sponsor of the **2022 Kennewick National (KN)** Youth Baseball program. Over the past few years we have experienced some challenges but with perseverance and grit we accomplished greatness. This past year our 12U All Star team surpassed all our expectations and had the opportunity to travel to Florida and participate in the Cal Ripken World Series. This group of 12-year-old boys have allowed us to overcome all obstacles. The KN Board is committed to provide opportunities like these for our youth ages 4-12.

The KN Baseball program is committed to providing a fun, safe, and positive learning environment for all our league members. Our philosophy is to focus on a high level of baseball instruction while providing a healthy learning environment. In addition, we hope to teach critical life lessons to our future community leaders.

The league relies on family fundraising and sponsorships to cover expenses. Expenses include but are not limited to equipment, player scholarships, uniforms, and community field improvements. The coaching staff is 100% volunteer and experienced. Therefore, 100% of your sponsorship benefits the youth in the program! We are currently seeking sponsors to help subsidize the costs of our upcoming 2022 season. Please consider being a part of our community and family. We have a variety of sponsorship opportunities for you to choose from or we can build a custom option for you.

Thank you for your consideration. It's because of YOU that our Kennewick Youth All Stars can enjoy the fantastic game of baseball being played by our youth ballplayers.

With much appreciation,

Josh Murphy
KNYB President
